

Future Blessings Property Update – September 2017

Property Work Completed to Date:

- Relocation of pews and sanctuary floor
- Chapel Space
- Narthex and office Carpeting
- Piano/Altar/Lectern/Pulpit
- Painting/ parking lot resealing

Work to be Completed – Phase II:

- Reset of chancel area to 2 step level
- Creation of choir/music space within chancel
- Flexible communion rail system to allow for events
- Improved lighting/completed sound system
- Sacristy space on same floor level
- Expanded window at back of chancel

Important Notes:

- Vestry transferred \$200,000 from Building Fund into Future Blessings Fund (showing in funds available)
- Future blessing gifts are **over and above** operational giving and designated for property
- Operations of the church will not change – we will not sacrifice church operational and mission activities for this project
- **All are welcome to participate through prayer, financial contributions or other volunteer efforts**
